First name	Surname	Position	Organisation	Research area	Profile Link
Gareth	Ackland	Clinical Professor of Perioperative Medicine	QMUL	Outcomes for patients following major surgery	https://www.qmul.ac.uk/whri/people/academic-staff/items/acklandgareth.html
Amrita	Ahluwalia	Professor of Vascular Pharmacology	QMUL	Effects of nitrite and nitrate on the cardiovascular system in health and disease	https://www.gmul.ac.uk/whri/people/academic-staff/items/ahluwaliaamrita.html
Leanne	Aitken	Professor of Critical Care & Associate Dean – Research	City UoL	Critical Care and long-term disability	https://www.city.ac.uk/about/people/academics/leanne-aitken
Dunja	Aksentijevic	Senior Lecturer in Physiology/Biochemistry	QMUL	Metabolic remodelling in heart failure	https://www.qmul.ac.uk/whri/people/academic-staff/items/aksentijevicdunjahtml
	Aksoy	Lecturer, Mucosal Immunity and Signalling	QMUL	Innate immune mechanisms in inflammatory disorders and immunodeficiency	https://www.gmul.ac.uk/whri/people/academic-staff/items/aksoyezra.html
-	Alazawi	Professor of Hepatology	QMUL	Metabolic Liver disease and its phenotypes in South Asian populations	https://www.qmul.ac.uk/blizard/all-staff/profiles/william-alazawi.html
Susan	Ayers	Professor of Maternal and Child Health	City UoL	Mental health in pregnancy and postpartum; transition to parenthood; high risk pregnancies and birth complications; birth trauma	https://www.city.ac.uk/about/people/academics/susan-ayers
Qasim	Aziz	Professor of Neurogastroenterology	QMUL	Brain gut axis, visceral pain, neuromodulation	https://www.gmul.ac.uk/blizard/all-staff/profiles/gasim-aziz.html
Frances	Balkwill	Professor of Cancer Biology	QMUL	Tumour microenvironment	https://www.bartscancer.london/staff/professor-fran-balkwill/
John	Barbur	Professor of Optics and Visual Science	City UoL	Analysis and understanding of human vision dysfunction to translate fundamental research findings to overcome occupational limitations	https://www.city.ac.uk/about/people/academics/john-barbur
Victoria	Bird	Professor of Mental Health Care	QMUL	Mental Health Care	https://www.gmul.ac.uk/iphs/people/staff/bird-vicky.html
Cleo	Bishop	Reader in Senescence	QMUL	Senescence, ageing and cancer	https://www.gmul.ac.uk/blizard/all-staff/profiles/cleo-bishop.html
Angeliki	Bogosian	Senior Lecturer in Health Psychology	City UoL	Psychological adjustment of individuals and families affected by a long-term health condition, especially neurological disorders	https://www.city.ac.uk/about/people/academics/angeliki-bogosian
Nicola	Botting	Professor of Developmental Disorders	City UoL	language and communication difficulties	https://www.city.ac.uk/about/people/academics/nicola-botting
	Brohi	Professor of Trauma Sciences	QMUL	Mechanisms and implication of immune dysfunction in major trauma in the immediate postraumatic period	https://www.gmul.ac.uk/blizard/all-staff/profiles/karim-brohi.html
	Brown	Clinical Professor of Endocrine Hypertension	QMUL	Cardiovascular medicine, Endocrinology	https://www.gmul.ac.uk/whri/people/academic-staff/items/brownmorris.html
Martin	Cartwright	Senior Lecturer in Health Services	City UoL	Evaluating the impact of telehealth and telecare on quality of life outcomes and patient self-care behaviour	https://www.city.ac.uk/about/people/academics/martin-cartwright
	Chan	Reader in Molecular Endocrinology and Metabolism/ Paediatric Consultant	QMUL	Metabolism, Adrenal diseases, stress, Obesity, food intake, receptor signalling	https://www.gmul.ac.uk/whri/people/academic-staff/items/chanli.html
	Chapple	Professor of Molecular Cell biology Deputy Dean for Postgraduate Research	QMUL	Cell biology of rare diseases related to	https://www.gmul.ac.uk/whri/people/academic-staff/items/chapplepaul.html
Jane	Chudleigh	Reader in Child's Health	City UoL	Communication of genetic information to children and families and associated risk	https://www.city.ac.uk/about/people/academics/jane-chudleigh
lohn	Connelly	Reader in Bloengineering	QMUL	Wound healing, tissue engineering, scarring	https://www.gmul.ac.uk/blizard/all-staff/profiles/john-connelly.html
Dianne	Cooper	Senior Lecturer in Inflammation Sciences	OMUL	Inflammation in diastolic dysfunction	https://www.gmul.ac.uk/whri/people/academic-staff/items/cooperdianne.html
Jessie	Cooper	Senior Lecturer	City UoL		https://www.city.ac.uk/about/people/academics/jessie-cooper
David	Crabb	Professor of Statistics and Vision Research	City UoL	Massurament in vicion: vicual fields imagine vicual function and nuality of life and medical statistics	https://www.city.ac.uk/about/people/academics/david-crabb
	Cruice	Reader/ Associate Professor	City UoL	Measurement in vision: visual fields, imaging, visual function and quality of life, and medical statistics Working with adults with computational imaginatures who reamont after and expected to informe outcomes.	
Jesmond	Dalli	Professor of Molecular Pharmacology	QMUL	Working with adults with communication impairments who cannot talk or advocate forthemselves to improve outcomes Inflammation, phagocytes, lipid mediators, vascular disease, arthritis, bacterial infections	https://www.city.ac.uk/about/people/academics/madeline-cruice https://www.omul.ac.uk/whri/people/academic-staff/items/dallijesmond.html
Francesco	Dell'Accio	Professor of Molecular Pharmacology Professor of Musculoskeletal Regenerative Medicine and Rheumatology	QMUL	Intramitation, pragozyces, ipito metoidos, vascuar osease, artífico, bacteriar intections Regenerative medicine and Reumatology	https://www.gmul.ac.uk/whri/people/academic-staff/items/clainlesmond.num
Lucy	Dipper	Reader in Speech and Language Therapy	City UoL	Regenerative meduline and internationage Exploring the best ways to assess and remediate communication disorders	
	Dipper Dokal	Reader in speech and Language Therapy Chair of Child Health, Honorary Consultant in Haematology and Centre Lead	QMUL	Exploring the best ways to assess and remediate communication disorders Genetics and Bone marrow failure	https://www.city.ac.uk/about/people/academics/lucy-dipper https://www.gmul.ac.uk/blizard/all-staff/profiles/inderjeet-dokal.html
Nicholas	Drey	Senior Lecturer in Health Services Research	City UoL	Genetics and some marrow sature Patient Safety and Research Ethics and Methodology	https://www.city.ac.uk/ahout/neopla/academice/aicholas.dou
Philip	Eaton		QMUL		https://www.city.ac.uk/about/people/academics/nicholas-drey https://www.gmul.ac.uk/whri/people/academic-staff/items/eatonphilip.html
	Ficz	Professor of Cardiovascular Biochemistry Senior Letturer Concerentiation	QMUL	Cardiovascular, redox signaling, oxidative stress Eclaneatic mechanisms Eclaneatic mecha	https://www.gmui.ac.uk/wnri/peopie/academic-staff/items/eatonphilip.html https://www.bartscancer.london/staff/dr-gabriella-ficz/
	Ficz	Senior Lecturer, Cancer epigenetics		Epigenetic mechanisms Genes & Health, Type 2 diabetes and Multimorbidity	https://www.bartscancer.iondon/statt/dr-gabnella-ticz/ https://www.omul.ac.uk/iphs/people/staff/sarah-finer.html
Sarah		Clinical Senior Lecturer in Diabetes Honorary Consultant in Diabetes	QMUL		https://www.qmul.ac.uk/iphs/people/staff/sarah-finer.html https://www.hartscancer.london/staff/orofessor-jude-fitzeibhon/
Jude Graham	Fitzgibbon Foster	Professor of Personalised Cancer Medicine Professor of Hepatology	QMUL	Genetics, epigenetics and rare blood cancers anothic f. blood cancers a	
			QMUL	Hepathis C therapy in hard-to-reach populations	https://www.qmul.ac.uk/blizard/all-staff/profiles/graham-foster.html https://www.qmul.ac.uk/blizard/all-staff/profiles/gavin-giovannoni.html
Gavin	Giovannoni	Professor of Neurology		Clinical neurology and neuro-immunology	
	Graham	Professor of Cancer Evolution	QMUL	Cancer genomics and cancer evolution	https://www.bartscancer.london/staff/professor-trevor-graham/
Jonathan	Grigg	Professor of Paediatric Respiratory and Environmental Medicine	QMUL	Asthma, air pollution in paediatric populations	https://www.omul.ac.uk/blizard/all-staff/profiles/jonathan-grigg.html
	Grose	Professor of Cancer Cell Biology	QMUL	Cell signalling and 3D cancer models	https://www.bartscancer.london/staff/professor-richard-grose/
	Hallden	Reader in Cancer Gene Therapy	QMUL	Oncolytic viruses	https://www.bartscancer.london/staff/dr-gunnel-hallden/
	Henry	Professor of Speech and Language	City UoL	Memory and executive skills in children with developmental conditions	https://www.city.ac.uk/about/people/academics/lucy-henry
Sian	Henson	Reader in Immunology	QMUL	Aging and T cell immunity	https://www.gmul.ac.uk/whri/people/academic-staff/items/hensonsian.html
	Hilari	Professor of Acquired Communication Disorders	City UoL	Mental health, outcomes and intervention development and effectiveness for acquired communication disorders in under-represented groups	https://www.city.ac.uk/about/people/academics/katerina-hilari
	Hirani	Senior Lecturer in Health Services Research	City UoL	Behavioural Medicine and self-management of long-term conditions and care of the aged population	https://www.city.ac.uk/about/people/academics/shashi-hirani
Kairbaan	Hodivala-Dilke	Professor of the Tumour Microenvironment	QMUL	Tumour microenvironment discovery research	https://www.bartscancer.london/staff/professor-kairbaan-hodivala-dilke/
	Hull	Professor of Optics of Vision	City UoL	Visual optics and visual science to overcome disadvantage due to vision impairment	https://www.city.ac.uk/about/people/academics/chris-hull
